MY OBJECTIVE

I'm a second-year student at University Savoie Mont-Blanc in IT department and I'm looking for a job where I could exercise my two passions : drawing and programming.

RESUME

2019/2021:

"DUT Informatique" at Savoie Mont Blanc University (Two years University Diploma in IT)

2019: Driver's licence

2016/2019:

French Baccalaureate in Science
with a specialisation in math, obtained with high Honors.

2010/2015:

"Galops 1, 2, 3 and 4"
(Official diploma in horseback riding)

EXPERIENCES

From June to March 2020/2021 (10 Months):

Student project for Capital Banking Solution: plug-in of their website in JS, VueJS and HTML/CSS

January 2019 (Temporary work of 3 days):

I helped program the inventory of two "Centrakor" stores, one in Chalon-sur-Saône and one in Louhans

ABOUT ME

I'm an artist who loves programming and drawing. Currently I am studying programming.

- I love video games, mangas, cosplay, programming
- I do art commissions over the Internet
- I participated at four national Rubik's cube contest with my team, during Middle School
- I learn Japanese during my free-time

My personality :

Curious - Creative - Patient - Dynamic - Hard Working - Enthusiastic
